VISION

To enable our members to develop in an ambitious, inclusive and sporting manner, within a welcoming Club

MISSION

Excellence on
the water

Aim to:

Produce competitive crews to compete frequently at Henley Women's and Henley Royal Regattas

Regularly win medals at Junior, British, National and Henley Masters Championships

Produce members capable of winning representative honours at senior and junior levels

Support recreational and development squads

Provide gateways for the development squad

Establish experienced coaching and coxing pools

MISSION

Enhancing on
the land

Aim to:

Create a fully functional building to provide better facilities for:

- Land training
- Improved changing and showers
- Recognition of greater diversity

Implement a green strategy for the building

Optimise funding opportunities

Improve social media platforms

Transfer the assets and activities of the Club into a Community Interest Company limited by guarantee

MISSION

Active in the
community

Aim to:

Develop the outreach programme

Pursue community initiatives aimed at:

- Sporting opportunities
- Care of the river environment
- Being good neighbours

Open the Clubhouse to a wider public

Provide disabled access

Foster links with selected charities
